It is to inform you that course structure and syllabi of R13 regulations are revised for III and IV year of B.Tech and B. Pharmacy courses in the year 2015. According to new course structure for B.Tech stream, **only Technical Seminar** has been introduced in place of Seminar and Comprehensive Viva-Voce in the B.Tech IV year II Semester Course Structure for 2 credits.

In case of B. Pharmacy stream **only Comprehensive Viva-Voce** has been introduced instead of Seminar and Comprehensive Viva-Voce in the B. Pharmacy IV year II Semester Course Structure for 3 credits.

In this context, the following marks are awarded for Technical Seminar and Comprehensive Viva-Voce separately.

**1. Technical Seminar shall be evaluated for total 50 Marks** (for B.Tech stream only).

**2. Comprehensive Viva-Voce shall be evaluated for total 100 Marks** (for B. Pharmacy stream only).

Further, it is to be noted that the third paragraph of serial number/point 4.8 of original R13 Regulations is modified as follows:

**B.Tech Stream:**

A student shall acquire 2 credits assigned to the Technical Seminar only when he/she secure 40% or more marks for the total 50 marks. In case, if a student fails in Technical Seminar he/she shall reappear as and when IV/II supplementary examinations are conducted.

**B. Pharmacy Stream:**

A student shall acquire 3 credits assigned to the Comprehensive Viva-Voce only when he/she secure 40% or more marks for the total 100 marks. In case, if a student fails in Comprehensive Viva-Voce, he/she shall reappear as and when IV/II supplementary examinations are conducted.
