ANNEXURE I

Best Practices 1. *Training on Improvement of Communication*

Skill Goal: 1) To identify and rectify the communication difficulties of student.

2) To develop self - confidence in verbal communication.

Practice:

Students were identified and appropriate training strategies were adopted to improve the communication skill.

The Content that required initiation of the Practice:

Most of the Students come from the rural background and government schools. Their communication skill was not good. Regarding the importance of communication skill our institution laid stress on communication skill enhancement.

Impact of the practice:

Student improved the communication skill remarkably.

Obstacles and Strategies adopted to overcome:

In the beginning of the training students hesitated to practice the skills but later they actively participated in the training and enhance their communication skill.

Best Practices 2: *Remedial classes for the slow learners***Goal:**

The aim of this practice followed by the institution is to bring improvement in the slow learners who need individual attention.

Context:

The challenging issue that have had been addressed in designing and implementing the practice of remedial classes is reduce the number of students attending tuitions outside the college. When the students are not able to follow in the class these Remedial Classes will help them to learn and follow the subject. Some student's especially slow learners need additional and individual attention. These remedial classes have benefited them a lot.

The Practice:

The practice and implementation of the Remedial Classes is made effective from the beginning of each semester in all the streams. The list of slow learners is made from each class in each subject and two days in a week is assigned for each subject and students are supposed to attend these remedial classes.

Remedial class students are given exams after each chapter to know about their performance after attending remedial class.

Evidence of Success:

The review results of Remedial Classes process that it has been very effective to the students. Most of the students attending remedial classes have cleared their pending subjects
